MINUTE ORDER IN CHAMBERS

The Court in the past has seen a copy of what is presumed to be an order signed by Judge A. F. St. Sure under date of April 24, 1940, amending the final decree to conform with the Writ of Mandate of the Ninth Circuit Court of Appeals. Examination of the official court files in this case indicates that those files do not include this order. An entry describing an order of April 24, 1940, by Judge St. Sure appears in the docket of the case, as follows:

Apr 25, 1940 Fil. & Enty. Order, signed by Judge St. Sure Apr. 24, 1940, for entry of Amended Final Decree to conform to Writ of Mandate, etc.

Stoddard

The Court has obtained what appears to be an accurate copy of the said order of April 24, 1940, and proposes to order that it be filed by the Clerk in the correct date order in the official file and that an additional docket entry be made to reflect the current refiling of the said order.

In order to make the record of the case in the court file complete, it is highly desirable that a copy of this order be filed and become a part of the official record.

A copy of what is presumed to be the order of April 24, 1940, is attached to this order.

IT IS, THEREFORE, HEREBY ORDERED that if any party has any objection to the Court entering an order that the said copy of the April 24, 1940, order be filed and made a part of the official record and that the appropriate additional docket entry be made, such objection shall be filed and served within 30 days from the date of this order. Any party desiring to respond to any such objection shall thereafter have 20 days to file such response. There will be no reply.
